Large rustic property for sale in the countryside of Jalón, that includes three family houses, on a 7000m2 plot.

It's like a perfect blend of rustic charm and modern amenities, nestled in a serene natural setting near Jalón. With three homes and plenty of space on over 7,000 m² of land, it offers ample room for both living and enjoying the outdoors.

The main building is impressive with its two large homes and an additional apartment, each offering unique living spaces and beautiful views from their terraces.

The second building with another complete house adds even more flexibility, whether for guests or as a separate living area. And the various annexes like the garage, gym, and parking area provide practicality alongside the beauty of the gardens and sunny living areas. In total there are 12 bedrooms and 8 bathrooms.

There is also a summer kitchen and 2 swimmingpools.

Overall this is the perfect property for anyone looking to enjoy nature while still being close to essential services in Jalón. The exclusive views of the valley and mountains are breathtaking!
