Wake up to the beautiful call of the birds and draw your curtains to the most beautiful views in this luxury villa which has been designed using the latest technology. Situated in a forested area with a diversity of greenery that creates a wonderful micro-climate for a cool laid-back feeling as the perfect escape from the hustle and bustle of city life, this idyllic setting is great for any family.

A blend of man-made and natural elements which have been merged into this architectural beauty, this furnished house has 4 bedrooms, each with its own dressing room, bathroom and separate toilet. It also contains an incredibly spacious living room with a built-in kitchen that creates a unique airy space with panoramic views.

In the house, there is a glass lift from which you can admire the magnificent sea views. All floors are visually and spatially connected by a large, sculptural and majestic staircase which creates a feeling of lightness and comfort. In addition, there are covered and open terraces as well as a magnificent infinity type swimming pool where you can swim and float away to some soothing tunes and to activate your competitive spirit.

The villa also has a parking lot which is large enough to fit 4 vehicles and which is located at street level. Ideal as a holiday getaway as much as an all year-round living area, you would be remiss to pass up this once in a lifetime opportunity. For more details, call us up!
