The luxury apartments combine a modern and functional design with top quality materials, creating bright and open spaces that maximise the views of the Mediterranean Sea and the Salinas Natural Park. With 2 and 3 bedroom layouts, these exclusive apartments have spacious terraces, ideal for enjoying the wonderful climate of the Costa Blanca.

Each apartment is equipped with underfloor heating, highly efficient aerothermal climate control and advanced home automation for lighting, blinds and climate control. The fully equipped kitchen with high-quality appliances features quartz worktops and a design that combines style and functionality. The bathrooms feature top-of-the-range taps, premium ceramic finishes and integrated storage solutions, creating a refined and comfortable environment.

All apartments have a parking space and a storage room and have access to the communal areas of the complex, such as green areas, swimming pools, a gym and relaxation areas.
