This beautiful, newly built villa is located in the prestigious area of Cumbre del Sol.

Situated on a plot of 842 m², the property offers breathtaking panoramic views of more than 180°, including the Mediterranean Sea, the iconic Peñón de Ifach, Moraira and the picturesque inland mountains. Thanks to its elevated position, you will enjoy the sunsets here until the last rays have dipped below the horizon.

The villa has a total built area of 451 m², including living areas, covered terraces and a garage, with the possibility of further extending the basement. In addition, there are 160 m² of open terraces.

The layout includes three spacious bedrooms, each with an en-suite bathroom, a guest toilet, a bright living and dining room with open kitchen and cooking island, and a generous covered terrace with outdoor kitchen. The basement houses the garage, storage room, technical room and laundry room.

The outdoor area features a spectacular 11-metre-long infinity pool, including an automatic cover system with solar slats, which raises the water temperature by up to 5 degrees.

All furniture on the ground floor is included including designer furniture, bedroom furnishings and atmospheric indoor and outdoor lighting.
