Welcome to Paradise: Fantastic villa with spectacular views to the sea and the peñon de ifach. The villa has a large garage, a large living-dining room with the kitchen open to it and all with fantastic sea views.

On this same floor we have a laundry room, the master bedroom with dressing room and a good sized bathroom, outside we find a large barbecue or summer kitchen, with the terrace of the heated pool with infinity and a jacuzzi for more than four people where you can rest and relax with the fantastic views that gives us the property.

On the lower level of the house there is a storage room, a sauna and three bedrooms with bathrooms, all with access to the pool terrace and sea views.

The property is only a short drive to the charming town of Moraira, where you can find a wide variety of restaurants and luxury shops. But the best of the area are its sandy beaches and charming rocky coves.

A unique place where you can disconnect from everything and enjoy the long sunny days accompanied by family friends.

A great investment in one of the best locations...!!!!
