Welcome to your paradise in Benissa!

We present to you an extraordinary estate located in a privileged enclave of Benissa, a gem of the Costa Blanca known for its natural beauty and proximity to the most spectacular beaches in the region, just a few minutes' drive away.

This estate extends over an impressive plot of approximately 11,000 m², offering ample space to enjoy nature at its finest. The jewel of the property is a charming villa of more than 200 m², designed with a style that combines elegance and comfort to create a cozy and sophisticated home.

The villa features spacious and bright rooms, perfect for family living and entertaining. The interiors have been carefully decorated, with high-quality materials and a design that balances Mediterranean tradition with modern touches. The kitchen is a dream for food lovers, equipped with state-of-the-art appliances and a functional design that invites you to share special moments with friends and family.

The living room opens onto a large terrace, where you can admire panoramic views of the surrounding landscape. The generously sized bedrooms offer a tranquil retreat with views of the forest.

The exterior of the estate is equally impressive, with lush vegetation surrounding the villa, creating an oasis of tranquility and beauty. The private pool is the perfect place to cool off during warm summer days, surrounded by a terrace where you can sunbathe and enjoy the Mediterranean breeze. Additionally, the estate features several outdoor spaces ideal for al fresco dining, barbecues, and family gatherings. The property is connected to mains electrics and has its own well for water.

The location of the estate is unbeatable. Benissa is known for its charm and rich history, with cobblestone streets, historic buildings, and a vibrant cultural scene. Additionally, the nearby beaches offer crystal-clear waters and a variety of water activities to enjoy.

This estate in Benissa is not just a property, but a lifestyle opportunity. A place where every day feels like a vacation, with the convenience of having all the services and natural beauties of the Costa Blanca within reach.
