Cheap build land for sale in the Jalon Valley With wide panoramic views of the surrounding farmland and, overlooking the towns of Alcalali and Parcent, various urban plots of building land for sale. The plots measure 300 metres squared each with the possibility to build residential housing or buildings for small and medium commercial uses (restoration, care, welfare, recreational, and office-administrative). Shopping facilities, bars and restaurants can be found in the local towns of Alcalali at 700 metres, Percent and Jalon both at 3 km from the building land. The land allows for 40% maximum of occupation on the plot, with total edification of 35%, 3-metre boundary laws, and to construct a building of 2 floors with a maximum height of 6.8 metres. The urbanization where the land is located has pavements and streetlights, and each plot has connections for electricity, water and telephone on the roadside.
