[CALPE | LUXURY APARTMENT WITH SEA VIEWS]
In an apartment complex located right on Arenal Beach, next to all the necessary services, restaurants, and other amenities, lies this ultra-modern apartment, exceptionally situated to offer panoramic views of the Mediterranean while remaining remote enough to enjoy the lovely tropical breezes.
The apartment features a minimalist design that is endearing and magnificent, with understated elegance and charm. It features a welcoming living room that opens onto a beautiful sunny terrace with sea views. The bright and airy space blends with a spacious dining area, which then leads to a fully equipped open gourmet kitchen. With three bedrooms and two bathrooms, you and your loved ones will enjoy the convenience, comfort, and style that can only be experienced in a beautiful living space like this.
This property is equipped with air conditioning, and even the overall structure of the space is inlaid with large built-in wardrobes and a dressing room, projecting shelves and level platforms, among other surprises, where you can store your belongings while adding character to the home in your own way. And who wouldn't want a home that reflects their individuality?
The complex also has ample parking near Calpe's Avenida Gabriel Miró, next to restaurants, banks, luxury hotels, and beautiful beaches. Feel free to contact us for a visit.
