[CALPE | Luxury and large family villa with sea views]

Live the Mediterranean dream: Exclusive Ibiza-style villa in Calpe. This impressive property, built in a residential area of Calpe, offers a life of luxury and comfort. Its innovative design orients all main rooms southeast, ensuring exceptional light and a constant connection with the idyllic landscape, without losing its authentic modern essence. Enjoy each setting year-round, adapting to your needs. With five bedrooms (three of them en suite) and a guest bathroom, this villa is designed for comfort. The open-plan kitchen blends seamlessly into the living-dining room, a generous, open-plan space with a fully glazed facade that blurs the boundaries with the exterior. Feel how the garden invades the house, and how the water, reflected in it, brings a vital energy to this home. The exterior is an extension of the interior luxury. A porch with outdoor dining is perfect for any time of day, complemented by a barbecue and a large terrace with a giant infinity pool.
