Do you know the charming village of Murla? Are you looking for a property to renovate in no time, with a garden and in a good location? We are pleased to present you with this small rustic estate that you could transform, with the right advice, into a very well-distributed studio with all the areas you need. An ideal corner to escape from routine or a vacation investment. Located in Murla, a charming village just 30 minutes from the beach, perfect for nature lovers in a mountainous setting, ideal for hiking and cycling. It is close to the lively and frequented towns of Jalón and Orba and just an hour's drive from the airports of Alicante and Valencia. If you have a good imagination and a desire to transform unique spaces full of potential, this property is for you. Its features, location, and unbeatable price are the three main reasons why you shouldn't overlook this estate. Contact one of our agents for more information or to arrange a no-obligation visit!
