Project for a new-build villa with sea views, located in the exclusive Raco de Galeno in Benissa Costa, combining modern architecture with a functional design. DescriptionThe villa has been designed in a clear, contemporary style with clean lines. Large windows provide plenty of natural light and an open connection to the green surroundings. The house has an open layout where the living room, dining room, and kitchen flow seamlessly into each other. The materials used—light ceramics, dark wood, and neutral tones—create a sense of calm and cohesion. The bedrooms are spacious and offer direct access to terraces. The master bedrooms have their own bathroom and private terrace. The kitchen is equipped with modern appliances (Bosch or equivalent) and has a functional layout. The entire villa exudes luxury, comfort, and elegance. High-quality finishes and first-class materials have been used. Outside, the house has a spacious swimming pool, garden, and various terraces.
