Impressive exclusive and very private, the farm is built in the authentic rustic style of the area (which includes stone walls, personalized fireplace and chimney, old bricks, roofs with beams, recovered stone and wooden beams, and much more) with a beautiful mountain backdrop.

Its spacious land of 20,000 square meters include a partially landscaped and partially natural environment and a large outdoor private pool (15x4.5m dimensions), jacuzzi, barbecue covered with sink, shower and toilet service.

Located in a rural environment between palm and citrus trees, olive groves and almonds, with pine forests and vine nearby, nature here is really impressive. The villa also has a huge garage space, with a wide additional parking for the air and another parking lot for guests.

The town has 5 twin bedrooms (all with en-suite bathroom) with air conditioning and a complete toilet, 1 with bathroom and dressing room, for a capacity of 12 people. Cozy atmosphere, fantastic terraces, fully equipped independent kitchen, dishwasher, fridge, freezer, gas countertop and 2 ovens, very large dining room and two living spaces. It also has a storage for the kitchen with a complete toilet for service.

The villa is in a quiet area, called Rafaelet on the route to the mountains of Bernia, 3 km from the center of Benissa, its supermarkets and other services, 10 km from the center of Calpe and 11 km from the sand beach (Arenal-Bol of Calpe) and the famous Calpe rock (Peñon de Ifach).

Walking along the quiet road just outside the doors of Darel Ons will surely be an additional delight.
