The phenomenal modern-style villa is located in a quiet green area with open views of the mountains and vineyards in Moraira. The concept of the project created by a local talented and well-known architect involves the construction of an absolutely exclusive house with the use of modern technologies and individual design.
The villa has two levels integrated into the terrain allowing for maximum privacy. The upper level is a day area, here we can find the spacious living room, cozy kitchen, guest toilet, and huge outside area: covered and open terraces with chill out zone next to the infinity swimming pool. The lower level is a night area where we find three bedrooms and two bathrooms.
Exclusive modern architecture combined with elegant design makes this project insanely attractive, especially for people who appreciate a high standard of living. Unique location within a short drive to all amenities with all kinds of services and landmarks including the centre of Moraira, mesmerizing beaches, supermarkets, tennis and golf clubs, picturesque Walks & Hiking routes, pharmacies, and restaurants – not a complete list necessary for a comfortable life for you and your loved ones.
This charming area combines the calm feeling of a fishing village with the cultural plans offered by the big cities just approximately one hour away from Valencia and Alicante. One of the best climates in the world for a healthy lifestyle with more than 300 days of sunshine per year on average – perfect choice and ideal investment for the future.
Dreams do come true if we only wish hard enough.
