About the Area – Altea & Porto Senso Marina

Altea is widely regarded as one of the most prestigious destinations on the Costa Blanca, celebrated for its whitewashed old town, blue-domed church, boutique shopping, and thriving culinary scene. It combines authentic Spanish charm with a reputation as a premier location for luxury property and investment.

The redevelopment of Porto Senso Marina, just a short walk from the residences, is set to further elevate Altea’s appeal, transforming it into a vibrant waterfront hub with upscale dining, wellness, and leisure facilities.
